

ANNOUNCEMENT

The Hellenic Electricity Distribution Network Operator (HEDNO) informs that, despite the improvement in the generation capacity of the PPC S.A. Power Plant and since there is no sufficiency in power capacity, the power interruption in turns will continue, today 15/8/2013, for the islands of Thira and Thirasia aiming at the best possible provision of services to consumers.

The indicative schedule of power interruptions per area for 15/08/2013 from 11:00 until 01:00 will be as follows:

11.00-13.00: Megalochori, Akrotiri, Emporeio, Ormos Athiniou, Oia, Thirasia, Episkopi Gonias, Exo Gonia, Perissa
13.00-15.00:Karterados, Messaria, Pyrgos, Radar, Fira
15.00-17.00:Kamari, Ag. Paraskevi, Perissa, Vourvoulos, Imerovigli, Firostefani.
17.00-19.00: Megalochori, Akrotiri, Emporeio, Ormos Athiniou, Firostefani.
19.00-21.00:Karterados, Messaria, Pyrgos, Radar, Kamari, Ag. Paraskevi.
21.00-23.00:Oia, Thirasia, Episkopi Gonias, Exo Gonia, Perissa
23.00-01.00:Emporeio, Part of Messaria, Pyrgos, Radar, Vourvoulos, Imerovigli, Fyrostefani.

It is clarified that priority is given to infrastructures and activities of public interest (Health center, desalination, biological wastewater treatment etc.).

The above schedule is totally indicative and depending on the conditions as well as the addition of new units realized within the day, the duration of power interruptions will be reduced accordingly.

Athens, 15th of August 2013
