

ANNOUNCEMENT

Taking into consideration, many requests from companies to extend the deadline for offers submission of the Tender ND-207 for the pilot project *"Pilot Telemetering and Management System for the Electric Power Supply Demand by Residential and Small Commercial Consumers and Implementation of Smart Grids"*, we inform you that HEDNO intends to issue a Supplement to the Tender, in order to extend the deadline for offers submission.

The exact deadline for offers submission will be announced with the publication of the Supplement to the tender, as soon as possible.
