

## ANNOUNCEMENT

Considering the relevant requests from companies to extend the deadline for offers submission of the Tender ND-207 for the pilot project "Pilot Telemetry and Management System for the Electric Power Supply Demand by Residential and Small Commercial Consumers and Implementation of Smart Grids", as well as the need for clarification of various points of the notice for request for tenders as a result of questions received but also of appeals submitted on the tender procedure, we inform you that the DEDDIE is due to issue a Tender Supplement.

Therefore, the deadline for offers submission is expected to be extended to the end of October. The exact date will be announced with the publication of the Tender Supplement during September."
