

ANNOUNCEMENT

Announcement for 100 job vacancies

As part of its corporate restructuring which is aiming at enhancing its staff with employees of multiple specialties in the upcoming period of time, HEDNO would like to announce that it proceeds with hiring 100 persons.

More specifically, HEDNO announces that it is going to cover, by order of priority, one hundred vacancies with open ended employment contracts, for persons with a university, technology and secondary educational background, at the Major Network Installations Department in the prefectures of Attica, Thessaloniki, Achaia and Fthiotida.

HEDNO's purpose is to enhance its human resources in order to facilitate and accelerate the modernization of the Company and its digital transformation by also improving the quality of the services provided to all Greek citizens.

The announcement has been published on the Company's website:
