

Press Release

Announcement on 393 job vacancies

As part of corporate restructuring, aiming at enhancing staff with employees of multiple specialties in the upcoming period of time, HEDNO would like to announce the hiring of 393 persons.

More specifically, we would like to announce the coverage of three hundred and ninety three (393) staff vacancies with open-ended employment contracts and University, Technological and Secondary Education background for service units at the Company across the country.

Please note that for University Education applicants, we are announcing 68 job positions, for Technological Education applicants 47 positions and for Secondary Education applicants 278 positions.

HEDNO's purpose is to enhance its human resources in order to facilitate and accelerate the modernization of the Company and its digital transformation by also improving the quality of the services provided to all Greek citizens.

The notice has been published on the Company's website:
