

PRESS RELEASE

## **HEDNO is launching the Switch On Innovation Lab**

As part of the official launch of the Switch\_On Innovation Lab, the first innovation lab for energy and the smart grids in Greece and one of the first of its kind in Europe, HEDNO will be holding the Switch\_On Open Day.

HEDNO's Administration will be holding the event in **Athinais Cultural Center, on Tuesday, 2 October 2018, at 17:30** in order to provide participants with detailed information regarding the new innovation lab.

The Switch\_On Innovation Lab aims to develop new and innovative products and services for electricity distribution networks and apply them to the network of Greece through the collaboration of HEDNO with new innovation groups and businesses.
