

## ANNOUNCEMENT

In reference to online press reports according to which there are several electricity outages taking place in the southern suburbs of the city, HEDNO would like to clarify that today, 19 December 2018, a scheduled outage for maintenance purposes is carried out in the area of Agios Dimitrios affecting about 500 consumer accounts.

We would also like to inform the public that the underground low voltage cable damage on the Vouliagmenis and Leonidou street junction that affected about 30 consumer accounts has been fully restored.
