## Announcement

### Announcement on Notice 1/2023

Publication of the table of candidates called for interview for the specialty of SE Network Electricity Technicians

HEDNO announces that as part of the provisions of HEDNO Notice 1/2023 for the coverage, in the order of priority, of Secondary Education Network Technician vacancies under indefinite employment agreement, the company has published on the website the table of the candidates called for interview for this specialty, including the date, location and time of each interview.

For all other employment specialties of the Notice, further announcements will be issued.
