

**HEDNO**

## Announcement

**HEDNO calls once again attention to all consumers on the potential risk from Network components that have been damaged**

Since the outbreak of Daniel storm, HEDNO has been issuing warning to the residents at all afflicted areas for special caution and to avoid approaching pipes, poles or other Network components either on the ground or with evident damages.

If you find any Network components bearing damages, please call HEDNO Fault Report at 800 400 4000 or yopur nearest Police Station.
