

PRESS RELEASE

Electricity reconnection on Samos

Following the powerful earthquake that struck off north of the island of Samos today just a few minutes before 14:00, HEDNO would like to inform all consumers, that by 15:45, electricity was restored across the whole island, excluding the villages of Leka and Kastania and a part of Karlovasi, where efforts are still ongoing in order to detect damages and restore them as soon as possible.

For any isolated issues, the island's residents may call HEDNO's 24-hour phone service at 11500 or 2111900500.
